

## "Ecohim-2000" Ltd.

*Address:* 29 Rzhev highway, Shebekino, Belgorod region, 309290, Russia

*Coordinates:* Ph.: (07248) 3-14-33 Fax (07248) 3-16-74; 3-14-33

E-mail: [Buzychkin@ecohim-2000.ru](mailto:Buzychkin@ecohim-2000.ru)

*Management:* A.N.Buzychkin - Director

V.G.Bedenko - Technical director

B.E.Chistjakov - Chief scientific adviser

N.A.Mel'nik - Deputy director on economy

L.A.Bakulin - Sales manager

*Employees:* Permanent employment - 130 persons., Part time - up to 80 persons

*Previous financing:* Assets of the enterprise \$935 000

*Requested investment:* : \$1 000 000

*Use of the requested investment:* : Construction of new shops on manufacture of paintwork product and raw material for this purpose (varnishes, fillers, including micron-sized chalk) and washing-up liquids.

---

### Company Description:

The enterprise has high scientific potential, develops and makes ecologically net chemical materials for building industry, including paintwork and other products on water and not water basis. Manufacture of the goods of household chemistry with use of new materials is arranged on the basis of local sources of raw material, and also chemical compounds for tanning, textile, cellulose paper and other branches of industry. The enterprise is equipped with the import equipment (dissolvers, minute mills etc.), has own auto park and warehouses for a storage of raw material and ready product. The enterprise is located strategically favorably. Belgorod - large railway and auto - transportation junction, cargo-and-passenger airport.

### Field and Directions of Activity:

Manufacture of paintwork product, household chemistry, products for tanning and shoe industry.

Realization of research works on these products.

### Products/Services/Technologies:

Water-dispersion paints for facades and internal works; oil paints, enamel. Preparations for a tanning industry: the wetting agents oiling compositions, pigmental pastes. Washing-up liquids. Own technologies and compounding of paints and detergent substances.

### Management Team:

Director - Buzychkin Aleksandr Nikolaevich (co-owner)

The technical director - doctor of chemical sciences Bedenko Vladimir Grigor'evich (co-owner)

The chief scientific adviser - professor Chistjakov Boris Evdokimovich (co-owner)

The enterprise has eight owners and all of them are included into structure of a management.

### Markets/Competition:

On the technical and ecological parameters the product meets the requirements of the market. Except for Russia the product is delivered to the countries of CIS (Ukraine, Byelorussia, Kazakhstan).

### Achievements:

The projects on manufacture of varnishes, paints and washing-up liquids are developed. The patents of Russian Federation for the inventions are received.

Outlook: The construction of three new manufacture shops is planned:

- Alkyd varnishes
- Washing-up liquids
- Whiting (chalk) of micron size.
